"Parenthood is God-designed to be enjoyed. We're all in this together. We share the same worries and frustrations. Let's lighten up, laugh more, and love our children enough to do what's best for them, and us, too."

Dr. Ray Guarendi

Dr. Ray is a father, clinical psychologist, and author. He's been a regular guest on radio and television shows and has written several books, including "You're A Better Parent Than You Think!," now in its nineteenth printing. Dr. Guarendi's national radio show can be heard locally on Monday through Friday mornings from 1:00 to 2:00 PM on AM 1570. Dr Ray's presentations are packed with humor, real-life examples, and practical ideas. They will leave you laughing and feeling more self-confident in your vocation as a parent!
